## SELECTMEN'S NOTES

There are some points of interest that should be outlined to give townspeople an idea of work done in town this past year.

### 1. Roads:

The Morey Pond end of the Mountain Road was completed and hot-topped. The Cascade Brook Road was also completed in the same manner. Improvement work was started on Shindakin Road which will be continued this next year.

### 2. July Flood:

The town applied for Disaster Relief for our damaged roads and a grant of \$5,700 was approved after holding a special town meeting. The work was done and the money should be forthcoming as soon as an audit by State official can be made.

### 3. Planning:

23 building permits were issued this past year and several subdivisions were approved. The Planning Board also spent many hours on improvement of existing ordinances.

### 4. Buildings:

The only major repair was a new roof on the Wilmot Center Library.

### 5. Refuse disposal:

A committee has been appointed and they are working on this problem. So far the town has been unsuccessful in purchasing a new site.

### 6. Site of former Town Hall:

An appreciation to Mr. and Mrs. Oliver Wilcox for their part in reclaiming this site. They furnished the loan.

## REPORT OF THE LIBRARY TRUSTEES

To the Townspeople of Wilmot:

1973 has continued to be another year of progress for the library. For the first time, we have been able to hold our quarterly meetings at the library. At our March meeting we welcomed Thelma Minard as our newly elected trustee.

Activities of the trustees have included attendance at the following: "Being a Trustee", a film shown at the Tracy Memorial Library in New London; book meetings and a discussion on "Library Laws and Revenue Sharing" held in Newport, N.H.

Our Open House was held at the Center Library on June 19th. Two members of Colby College, Robert Downes, author of "Going Gently" and Michael McMahon, a poet presented readings of their work. Thirty people attended.

On April 9th a story hour "Fairy Tales of Other Lands" celebrated Library Week. A Spooky Story Hour was held on October 30th for Halloween.

Two film programs were held at the Town Hall for the children. The first program was on October 30th and the second, March 24th. The Library continues its annual Pairs & Spares program with film and related book display.

We joined the Christian Herald Bookshelf and the Book of the Month Club to save money on purchasing books. "Cricket", a magazine for children is a new subscription this year.

Marion Allen, Center librarian, is currently enrolled in "Library Administration", an extension course at the University of New Hampshire, Durham.

This Fall the roof was shingled at the Center Library.

We have many people to thank. Here are but a few: Edith Payson for her dedicated service as a Trustee for 7 years, her many gifts and her continued volunteer assistance in the card catalogue work; the Community Association for having the Wilmot Flat Branch Library in their building; the Wilmot Congregational church for their loan of a childrens table and five primary chairs; Mr. Robertson for operating the film projector for the film programs; for books which have been donated by many people, including memorial books and to all who help to make our annual Food & Book sale successful.

The Center Library will be open Town Meeting Day. Come in and see your library.

## WILMOT VOLUNTEER FIRE COMPANY, INC.

To the Townspeople of Wilmot, New Hampshire

This is a Financial Report of the Wilmot Volunteer Fire Company Inc., including the Town of Wilmot 1973 appropriation and money raised by the Members of the Fire Company during 1973.

In 1972 the Civil Defense secured for the Fire Company a 1952 10-Wheel G. M. C. Army Surplus Truck. We completed the work on this truck in 1973 installing a 1300 gallon steel tank with a pump. The tank is equipped with a six inch quick dump outlet with (3) 1-1/2 inch hose outlets and a 2-1/2 inch suction line. A two way radio was installed in the truck. All Forest Fire equipment is carried on this truck and it is equipped for fighting all kinds of fires. The truck has been painted Red and lettered Wilmot Fire Dept. All this work was done by the members of the Fire Company on a voluntary work program.

We now have short wave radios in our three trucks with a Base Station set up in our Fire Station which allows us to be in contact with all trucks during fires. We also can contact our Mutual Aid Fire Companies if necessary in all emergencies.

During 1973 we purchased much needed new equipment consisting of (7) Firemen's Rubber Boots, Coats, Helmets, Gloves, 900 feet of new Fire Hose, Nozzles, Hose Adapters, Axes and Fire Fighting Equipment. During the year the members painted the outside of our Fire Station.

During 1973 we had a series of house fires, several being in unoccupied houses. All these fires were investigated by the New Hampshire Fire Marshall's Office which found that some of these fires were of suspicious origin.

The members of the Wilmot Volunteer Fire Company Inc., wish to thank the townspeople and everyone who has assisted in our various projects for their cooperation in helping us to improve our Fire Company.

Sincerely yours,

STANLEY RAYNO, CHIEF  
Wilmot Volunteer Fire Company Inc.

## REPORT OF SCHOOL BOARD MEMBER

Following John Newcomb's death, I was nominated by the Selectmen and appointed by the School Board to fill the remainder of his term until March, 1974.

The year 1973 marked shortages in many items and soaring costs. This report is written before the budget for next year is complete, but continued increases appear certain. In the belief that the ability of Wilmot voters to pay taxes has not increased as fast as inflation, I repeatedly tried to keep school salaries for next year to less than the estimated 8% increase in the cost of living. At the time of writing, every effort had been outvoted by others on the Board.

Enrollment continues to climb, with 1,680 students enrolled in the district last September. While the future is too clouded by uncertainties to make long-range plans, the Board's Planning Committee, of which I am chairman, has been carefully studying short-term solutions to crowding in several school buildings. The Board voted to stop accepting freshmen from Andover this fall.

Efforts to change the apportionment formula from the present 75% based on student enrollment and 25% based on equalized property valuation to 50-50 continue, and you will probably have another chance to be counted in March. Under the present system, residents in towns without substantial lakeshore find themselves paying several times as much school tax per school child as residents in towns endowed with lakes and substantial nonresident tax payment.

I urge every citizen to check to see that he or she is registered to vote, if eligible, and to come to the annual school meeting on Saturday, March 9. Voting starts at noon, and the business meeting starts at 1:00 P.M.

Respectfully submitted,  
PETER H. ALLEN

## CEMETERY COMMISSION REPORT

In addition to the regular maintenance of the cemeteries, work was started on the Bunker Hill fence. It was decided by the commission to salvage and repair the old fence rather than to replace it with a new one. This was because of a feeling that the old fence has historical significance and would be more in keeping with the general appearance of this old cemetery. The fence has been dismantled and it is being restored and painted and hopefully will be back up in the Spring. Approximately \$600 of the appropriated \$1,800 has been spent. Therefore, we are requesting that the remaining \$1,200 be brought forward to next year's budget so that the work can be completed.

The budget recommendations for cemetery maintenance and capital outlays for 1974-1975 are as follows:

	Estimated Cost
A. Headstones - repair and place on foundations	\$ 100.00
B. Complete Bunker Hill fence	1,200.00
C. Soil Improvement for all cemeteries	200.00
D. Regular mowing of all cemeteries	900.00
E. Miscellaneous	50.00
Total Estimated Cost	\$2,450.00

Those wanting to purchase lots in Bunker Hill may contact the Cemetery Commission at their convenience.

Respectfully submitted,  
JAMES T. CAVE  
PATRICIA FLEURY  
WILLIAM TILTON

## KEARSARGE VISITING NURSE ASSOCIATION REPORT

For 3-1/2 years, the Kearsarge Visiting Nurse Association has provided many services to the residents of Andover, Bradford, Danbury, New London, Springfield, Sutton, Warner and Wilmot. These services range from nursing care and physical therapy to counseling and teaching on family planning, financial assistance, pre-natal and newborn care, and guidance in individual and family problems.

In many cases, the individual or family was referred to one or more of the following: hospital, physician, nursing home, mental health clinic, alcohol and drug abuse program, crippled children's services, surplus food program, welfare and selectmen. These are just a few of the resources available to all of us. 618 visits were made for this type of service with no fee charged.

484 visits were made for direct nursing care which includes care of catheters, colostomies, dressings, heart/lung exams, blood pressure check, injections and medications. 36 physical therapy visits were made in the home. Occupational therapy officially began Nov. 1 with one evaluation visit. These three services involved a fee that was determined on an individual basis, according to patient's income, frequency of visits, etc. Regardless of ability to pay, service was provided.

Total mileage was 12,030 (includes full-time nurse, relief nurse and P.T.)

Our immunization clinics, held in January, March, May, September and November continue to demonstrate the need for more adequate immunization of our children. 1,021 immunizations were given to 618 children ranging in ages 2 months to 18 years. This was double 1972.

Our loan closet continues to grow due to generous contributions. The medical equipment is used for patients who are receiving KVNA services.

As in the past, several New London organizations donated food and clothing for 55 persons for Christmas.

We thank you for supporting our fund drive and assisting us in our programs.

Your town received 123 visits.

Your town representatives are Mrs. Earle Chandler and Mrs. James H. Cane.

Sincerely,  
Mrs. Lois Spearman, R.N.  
Director, Kearsarge VNA

## CIVIL DEFENSE REPORT

During this past year, your Civil Defense volunteers have been active in the following programs. We have conducted a thirty-six hour "Support Assistance for Fire Emergency" (SAFE) Civil Defense course. This course included all aspects of fire fighting and fire rescue, and we feel it was a very beneficial and informative course. Also during this past year, many, many hours have been spent by volunteers to convert the 2-1/2 ton Army Cargo truck into a very efficient and adequate Civil Defense Forestry and Fire truck.

The purpose of a report of this type is to explain to you, the tax payer, where your Town Meeting appropriations have been spent, and what the money was spent for. A good share of the Civil Defense appropriation went into the 2-1/2 ton Army truck, to bring it up to the necessary standards of a Fire truck, as required by State law. For example, we had to purchase the necessary red lights, spot lights, wiring etc. as needed to meet the legal requirements. Also, we purchased a two way radio. Civil Defense paid fifty percent of the radio, and the Wilmot Volunteer Fire Company paid the remaining fifty percent. Also during the year I had an opportunity to purchase some brand new aluminum asbestos fire safety suits through the State C. D. Agency. These suits are being used by the C. D. Fire Rescue Unit in performance of their duties of removing occupants of a burning building or motor vehicle.

Also, Civil Defense purchased a smoke ejector and two flood lights this year. A smoke ejector is essential in the fighting of a house fire, in the rescuing of occupants of a fire, and in reducing smoke damage to a burning house. Also, it is very essential in clearing a building of propane gas fumes if a gas line, gas stove, or some other gas appliance should leak. The flood lights, of course, are very useful for any type of Civil Defense night operation. Recently, the Fire Department purchased a 3,500 generator which will operate the C. D. smoke ejector end lights. All in all we have had a very progressive year, and have continued to improve our Civil Defense Organization. My sincere thanks to all of the Volunteers and Organizations in Town who have given so freely of their time, efforts, and knowledge to help us meet our goals. Also, my sincere thanks to each and every citizen who

has supported Civil Defense in the past. I sincerely request your support in the future.

Respectfully submitted,

KEITH G. FLEURY  
Civil Defense Coordinator
